

Insight. Guidance. Growth.

Who We Are...

A full-service, international CPA firm that chooses opportunities consciously and purposefully – making sure the whole financial picture for our clients is healthy and strategic

- We act in a careful way – as a driver of value and betterment

How we do it (our values)...

- Focused and disciplined action
- Do things differently, to do things better
- “Above and beyond” client experience
- Pull up (vs. push down) our human capital
- Down to earth

For almost 20 years, Facet Advisors has been supporting local, national and international businesses and individuals with audits, business sales, succession planning and a host of other challenges

How We Support and Serve...

Through our international experiences, we offer clients services such as:

Taxation	Assurance	Accounting	Business Advisory
Whether its businesses or individuals, Facet Advisors provides a seamless client experience, covering the gamut from compliance filings through to tax planning.	We provide assurance services over a broad range of areas for private sector organizations.	You know, the math stuff... Balanced books, clean audits, easy and automated payroll. We support the functions behind well-run accounting departments and can train internal staff and offer oversight.	Our primary areas of focus are exit planning, transaction advisory, financial modelling and analysis as well as general business advisory services.

Our Community Engagement

At Facet Advisors, we are equally active when it comes to community involvement as we believe in sharing wealth, giving back and making a difference in the community. Events like the Facet Advisors Grand Prix at the Thunderbird Equestrian Show Park is something we are particularly devoted to, as well as sponsoring organizations whose mandates inspire, such as Canuck Place Children's Hospice, Under the Same Sun (which supports the fight against Albinism in Tanzania) and the Ride to Conquer Cancer.
